

Waiting list priorities will be established by the date of receipt of this completed application

**WAITING LIST**

A registration package must be completed if you are interested in enrolling your child at Grace Kids Academy for an immediate opening or to be placed on the waiting list. You will be placed in our waiting list if Grace Kids Academy is at capacity or you are not ready to have your child begin.

The enrollment registrations are filed by date of receipt. Families who desire full week care take priority over families requiring part-week or part-time care. Families with a child or children already enrolled at Grace Kids Academy will receive priority on the waiting list by automatically being placed at the front of the list. As soon a space becomes available, the director will fill that spot with the first family registered in the particular age group.

WE DO NOT HOLD SPACES. If a space becomes available and your child is not ready to be enrolled, you have the option of paying for the space available (i.e. paying the rate until your child is ready to start). Grace Kids Academy CANNOT afford to maintain staff ratios or provide the best quality of care if the spaces remain unoccupied.
